This letter is regarding the School of Engineering "Faculty Payments from Salary Release Funds incentive policy, which is found at: <http://policy.ku.edu/engineering/faculty-bonus-payments>.

I would like to exercise the policy using funds from the following project(s) where I am serving as the Principal Investigator (PI):

Project ID	Project Name	Active Range	Total Budget	Remaining Budget	Contribution to Bonus
------------	--------------	--------------	--------------	------------------	-----------------------

Verified:

This (these) project(s) contain key personnel salary that is (are) eligible to be used: to support my salary during the 9-month academic year.

I will continue to meet all financial obligations and responsibilities required by this grant.

Additionally, I will continue to meet all of my regular academic responsibilities during the period.

Therefore, I am requesting a bonus payment of \_\_\_\_\_, 1 month of my academic salary ( \_\_\_\_\_ ), and 10% of which is for the department ( \_\_\_\_\_ )

Note that I am also serving as the PI or co-I of additional federal projects with annual expenditures of at least \$250,000 including:

Project ID	Project Name	Active Range	Total Budget	Remaining Budget
------------	--------------	--------------	--------------	------------------

Thank you for considering this request. Please let me know if I can provide any additional information.

Sincerely,
